1. Introduction

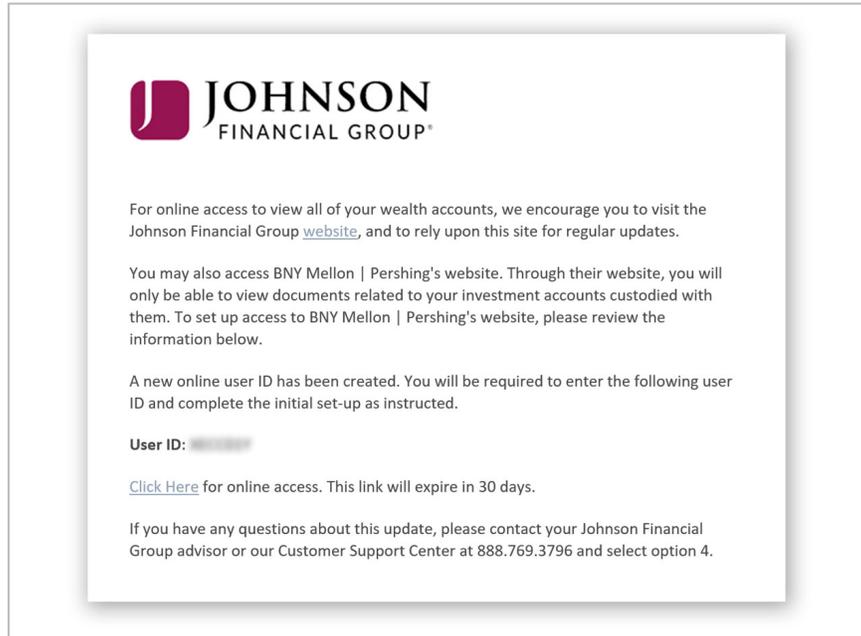

This guide provides you with information on how to:

- Access the Investor Portal for the first time
- Configure One-Time Passcode
- Log in to the Investor Portal from recognized and unrecognized devices in the future

2. Initial Access to Investor Portal

First-Time Login and User ID Communication

1. You will receive an email from donotreply@digital.johnsonfinancialgroup.com containing the user ID and temporary URL to login. The subject line of the email will be "Online Account Access: User ID Request Complete."

Notes:

- If the email address fails, an **Email Failure** letter with the user ID is sent.
 - If you are enrolled in e-delivery of documents, you will also receive an e-delivery enrollment email. Email failures will result in an e-delivery de-enrollment letter being sent to the address of record on the account.
 - The temporary URL expires after 30 days. If you are accessing the site for the first time after 30 days, you must contact your investment advisor to log in directly to investor.pershing.com with temporary password credentials.
2. Click the **Click Here** link provided in the email.
 3. Enter your mother's maiden name and date of birth and click **Continue** as displayed below.
